17 March 1964

SUBJECT: 14 March 1964 Meeting with J. RAUS

1) The undersigned met with J. RAUS on 14 March 1964, at the latter's request, in a cafe over refreshments in Hyattsville, Maryland from about 1330 to 1415 hours.

2) The following is pertinent to the meeting:

- a) While there was nothing of substance that RAUS wanted to report, RAUS particularly wished to discuss the matter of what he should or should not state while in New York City on 21 March 1964 to attend the National LEL meeting. RAUS anticipates that he will be queried again concerning his previous position vis-a-vis E. HEINE. The undersigned suggested that RAUS confine himself as much as possible to stating that he has nothing new to report and that he stands by his previous statements. He was encouraged not to make any further statements concerning HEINE.
- b) In accordance with the suggestion made by him during the previous meeting RAUS offered to the undersigned a draft (see attachment) of the letter which he would like the agency, using DOD or other Department of Army cover, to write to his organization, the LEL. The undersigned said that it would be taken under advisement.
- c) The undersigned shared with J. RAUS generally the contents of the attached BDC traces on E. HEINE.
- d) RAUS generally discussed his background, academic history and so forth with the undersigned. Nothing of unusual consequence not reported earlier was obtained.
